**How To Comply with the Worker Protection Standard for Agricultural Pesticides
What Employers Need to Know
Revised September 2005**

Errata Sheet

Omission in the Worker Protection Standard (WPS) Quick Reference Guide:

Under the section on "Additional Duties for Worker Employers" the following underlined end of the sentence was accidentally omitted from the subsection entitled "Posted Warning Signs #1":

"Post legible 14X16 WPS-design signs just before application; keep posted during REI; remove before workers enter and within 3 days after the end of the REI".

This omission is in:

1. Stand alone WPS Quick Reference Guide brochure (EPA 305-F-05-005);
2. Quick Reference Guide in the front of the paper How to Comply manual (EPA 735-B-05-002) (page 4), while the enlarged Quick Reference Guide at the end of the HTC retains the original, complete sentence (page 122) and;
3. WPS How to Comply CD-ROM version (EPA305-C-05-001).

These corrections have been incorporated into the electronic versions of the documents posted on the EPA website as of December 30, 2005. Versions printed before that date may contain the omission. If you have any questions, please contact the National Agriculture Compliance Assistance Center toll-free at 888/663-2155.
